libcon

We hear a lot of talk these days about liberals and conservatives. Here is a 7-point scale on which the political views that people might hold are arranged from extremely liberal to extremely conservative. Where would you place yourself on this scale, or haven't you thought much about this?

Abort96

There has been some discussion about abortion during recent years. Which one of the opinions on this page best agrees with your view? You can just tell me the number of the opinion you choose.

Recorded such that:

1 By law, abortion should never be permitted.

0 By law, abortion should never be permitted.
1 The law should permit abortion only in case of rape, incest, or when the woman's life is in danger.

<p>2 The law should permit abortion only in case of rape, incest, or when the woman's life is in danger.</p> <p>3 The law should permit abortion for reasons other than rape, incest, or danger to the woman's life, but only after the need for the abortion has been clearly established.</p> <p>4 By law, a woman should always be able to obtain an abortion as a matter of personal choice.</p> <p>9 DK; other</p> <p>0 NA; INAP.</p>	<p>2 The law should permit abortion for reasons other than rape, incest, or danger to the woman's life, but only after the need for the abortion has been clearly established.</p> <p>3 By law, a woman should always be able to obtain an abortion as a matter of personal choice.</p> <p>The “don’t know” and “refused” categories are recoded as missing.</p>

Trust

<p>People have different ideas about the government in Washington. These ideas don't refer to Democrats or Republicans in particular, but just to government in general. We want to see how you feel about these ideas.</p> <p>How much of the time do you think you can trust the government in Washington to do what is right -- just about always, most of the time or only some of the time?</p> <p>Would you say the government is pretty</p>	<p>Factor scores resulting from factor analysis of the four variables</p> <p>Factor Loadings</p> <table border="0"> <tr><td>1</td><td>.53</td></tr> <tr><td>2</td><td>.58</td></tr> <tr><td>3</td><td>.50</td></tr> <tr><td>4</td><td>.54</td></tr> </table> <p>First factor: Eigenvalue of 1.17.</p>	1	.53	2	.58	3	.50	4	.54

much run by a few big interests looking out for themselves or that it is run for the benefit of all the people?

Do you think that people in the government waste a lot of money we pay in taxes, waste some of it, or don't waste very much of it?

Do you think that quite a few of the people running the government are crooked, not very many are, or do you think hardly any of them are crooked?

Efficacy

Now I'd like to read some of the kinds of things people tell us when we interview them.

Please tell me whether you agree or disagree with them. I'll read them one at a time and you just tell me whether you agree or disagree:

"I don't think public officials care much what people like me think."

1 Agree
2 Disagree
3 Neither agree nor disagree
